Review: 2012 Arctic Cat  
F1100 / F1100 Turbo Sno Pro  
Posted by Shane Zeppelin on  
09.24.11 The last time  
Arctic Cat went to this  
extent changing their design  
was when the Twin-Spar  
chassis was introduced.  
While that chassis is  
heavier, it does ride very  
well on the trail.

*2012 Arctic Cat Snowmobile  
Reviews, Prices and Specs*  
Overall, the 2012 Arctic Cat  
F1100 Sno Pro will fight a  
very good battle in head-to-  
head showdowns with its two-  
stroke competition. The all-  
new ProCross-based F1100 Sno  
Pro is an excellent overall  
ride. Yes, we have a  
reservation on some  
performance levels, but that  
aside, Arctic Cat  
engineering has come up with  
a big winner for the real  
world of terrain performance  
riding.
