~~Freedom Of Information Act (FOIA) - Census.gov~~

The Freedom of Information Act (FOIA), Title 5 of the United States Code, section 552, gives you the right to request access to federal agency records or information. All U.S. government agencies are required to disclose agency records to the public unless the records are protected by one or more of the FOIA's nine exemptions or three exclusions.

The Washington Information Directory is the essential one-stop source for information on U.S. governmental and nongovernmental agencies and organizations. This thoroughly researched guide provides capsule descriptions that help users quickly and easily find the right person at the right organization. The Washington Information Directory offers three easy ways to find information: by name, by organization, and through detailed subject indexes. The volume is topically organized, and within the taxonomic structure the relevant organizations are listed not only with contact information but with a brief paragraph describing what the organization (whether government or nongovernmental) does related to that topic. It is focused on Washington—an organization must have an office in Washington to be listed. It also includes dozens of resource boxes on particular topics and organization charts for federal agencies and NGOs. With more than 10,000 listing sand coverage of the new presidential administration, the 2017–2018 Edition features contact information for the following: • 115th Congress and federal agencies • Nongovernmental organizations • Policy groups, foundations, and institutions • Governors and other state officials • U.S. ambassadors and foreign diplomats • Congressional caucuses

The "Overview of the Privacy Act of 1974," prepared by the Department of Justice's Office of Privacy and Civil Liberties (OPCL), is a discussion of the Privacy Act's disclosure prohibition, its access and amendment provisions, and its agency recordkeeping requirements. Tracking the provisions of the Act itself, the Overview provides reference to, and legal analysis of, court decisions interpreting the Act's provisions.

includes dozens of resource boxes on particular topics and organization charts for federal agencies and NGOs. With more than 10,000 listings, the 2016-2017 edition of Washington Information Directory features concise organization descriptions and contact information for: Federal departments and agencies Congressional members, committees, and organizations Nongovernmental and international organizations Courts and judiciary organization As well as contact information for: Governors and other state officials U.S. ambassadors and foreign diplomats Nearly 200 House and Senate caucuses

This text explains and synthesizes the functioning and relationships of numerous Defense, Joint, and Army organizations, systems, and processes involved in the development and sustainment of trained and ready forces for the Combatant Commanders. It is designed to be used by the faculty and students at the U.S. Army War College (as well as other training and educational institutions) as they improve their knowledge and understanding of "How the Army Runs." We are proud of the value that senior commanders and staffs place in this text and are pleased to continue to provide this reference.
