"Affliction: A Story of Harm and Healing in Psychotherapy" details the parallel healing of an emotionally troubled young boy and his intern therapist. In this book Annie Rogers told her experience as her work with Ben first brought about her own mental breakdown and then the freedom of self-healing.

The story of Ben and
Annie's non-directive
play therapy is riveting, as
is her own frank, honest,
courageous journey
through therapy and
recovery. It includes
detailed accounts of
Ben's therapy, Annie's
insightful supervision of
her work as a trainee, and
