Policies and procedures are the foundation of internal controls for organizations. Taking a complicated subject and breaking it into manageable components, this book enables you to hit the ground running and significantly accelerate your completion of a solid policies and procedures program. Comprehensive and practical, this useful book provides you with sample documents you can personalize and customize to meet your company's needs.

Accounting & Bookkeeping Procedures for Internal Control can help you quickly create and implement a system of accounting policies and procedures. This can provide the internal control needed to protect your business, as well as comply with generally accepted accounting practices and regulations like Sarbanes-Oxley. Thoroughly researched and reviewed by industry experts, these pre-written policies and procedures are based on years of experience in areas such as travel and expense, receiving, shipping, auditing, accounts payable and receivable, and cash drawer practices. Developing policies and procedures are listed as a key control activity in the COSO publication "Internal Control - Integrated Framework." The Securities and Exchange Commission (SEC) and the Public Company Accounting Oversight Board (PCAOB) both point to this COSO document as an example of internal controls that comply with Sarbanes-Oxley requirements. Designed for busy professionals like Accounting Managers, Controllers, CFOs, and Business Owners, Accounting & Bookkeeping Procedures for Internal Control can save you hundreds of hours in research, development, writing, and review of needed procedures for control and compliance, and it can improve business performance by developing consistency and standards. It contains 38 accounting procedures that cover over 150 accounting activities, and includes 54 supporting accounting forms and a guide to embezzlement prevention. There is no need to start from scratch...it has already been done for you.

This handbook offers comprehensive coverage of all important, authoritative pronouncements--FASB Statements, Interpretations, Technical Bulletins and Concepts, as well as the Generally Accepted Accounting Practices of the AICPA.

The typical business needs a system of policies and procedures in order to reduce errors, minimize fraud, and maintain tight control over its operations. The Accounting Procedures Guidebook contains the detailed procedures and forms needed for every accounting system, from accounts payable to treasury, as well as for such operational areas as order entry, shipping, purchasing, and receiving. Procedures are separately stated for manual and computerized accounting systems. The book also addresses how to create and enforce procedures, as well as when to update them. In short, this book provides the baseline policy and procedure information needed to enhance the operations of any business.
