Fairy tales are written both to entertain and to educate. Published in the shadow of the First World War, F. A. Steel's retellings of forty-one English fairy tales form a classic collection of stories, ranging from the familiar - 'Jack and the Beanstalk', 'Little Red Riding-Hood' and 'The Three Little Pigs' - to the perhaps less well known - 'The Black Bull of Norrway', 'Nix Nought Nothing' and 'The Red Ettin'. Originally published in 1918, it reflects the nationalistic concerns of the period. Steel takes the reader on a journey, from Cornwall to Bamburgh Castle via a palace by the sea, as well as high into the sky, where a giant lives. The magical tales in English Fairy Tales are brought to life by one of the best-known illustrators of the time, Arthur Rackham. Designed to appeal to the book lover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.

Anne of Green Gables is a children's classic by Canadian author L. M. Montgomery and recently adapted by Netflix in the hit series Anne with an E. 11-year-old Anne is mistakenly sent away from her orphanage to live on Prince Edward Island with brother and sister Matthew and Marilla Cuthbert who need help on their farm. Wild and imaginative Anne learns to find her place in the little town of Avonlea, makes friends, and strives to be the best in school. A children and adults' favourite Anne's tale of is one of love, individuality, and (mis)adventures. Lucy Maud Montgomery (1874-1942) was a Canadian author. She is most famous for her novel 'Anne of Green Gables' that was an instant hit and became a series that is still enjoyed by children and parents the world over. She grew up on Prince Edward Island and was raised by her grandparents after her mother's early death. Much like her most famous character, Anne, Montgomery had a lonely childhood for which she found relief in the beautiful nature of Prince Edward and in her fierce imagination, which she very early on turned into writing. She is a canon of Canadian and children's literature with over twenty novels, and hundreds of short-stories, poems, and essays to her name.
