Bali Raw: An Exposé of the Underbelly of Bali, Indonesia ...

I felt that this was lacking at many of the raw establishments in Bali. My only guess is that westerners have arrived with the concept of developing a raw establishment and staffed local Balinese people, but in the translation and teaching, the passion, the intention, the whole concept of serving people life-giving food, has been lost.

Considered one of the world's most popular holiday destinations, the tropical island of Bali in Indonesia has long been the site for Western fantasies about paradise. Over half a million Australians visit the Island of the Gods every year, from families treating the kids to a beach holiday to single men looking for cheap booze and sex. And for wide-eyed schoolies, hardcore partying in Bali has become a rite of passage, but it is not without pitfalls. Bali is a rough place, as dangerous a place as you will ever encounter. What you don't see in the glossy brochures is the rampant prostitution, the prevalence of AIDS, the bloody turf wars waged between local gangs and the drug- and alcohol-induced Western hooliganism. Tourists are robbed, raped and murdered and Westerners get into vicious fights amongst themselves and with Indonesians on a regular basis.In this extraordinary expose, Australian author and Bali resident Malcolm Scott reveals the raw underbelly of Bali. He walks readers down Bali's mean streets with honesty, humour and gritty realism and offers up a Bali choking with violent street fights, cheap sex and aggressive crime. Bali Raw teaches you as much about the underbelly of Australian society as it does about Bali. It is a must-read for anyone who has visited, or is thinking of travelling to, Indonesia's Island of the Gods.

Considered one of the world's most popular holiday destinations, the tropical island of Bali in Indonesia has long been the site for Western fantasies about paradise. Millions of tourists visit the Island of the Gods every year, from families treating the kids to a beach holiday to single men looking for cheap booze and sex. And for many young Westerners and Singaporeans, hardcore partying in Bali has become a rite of passage, but it is not without pitfalls. Bali is a rough place, as dangerous a place as you will ever encounter. What you don't see in the glossy brochures is the rampant prostitution, the prevalence of AIDS, the bloody turf wars waged between local gangs and the drug- and alcohol-induced Western hooliganism. Tourists are robbed, raped and murdered and Westerners get into vicious fights amongst themselves and with Indonesians on a regular basis. In this extraordinary expose, Australian author and Bali resident Malcolm Scott reveals the raw underbelly of Bali. He walks readers down Bali's mean streets with honesty, humour and gritty realism and offers up a Bali choking with violent street fights, cheap sex and aggressive crime. Bali Raw is a must-read for anyone who has visited, or is thinking of travelling to, Indonesia's Island of the Gods.

In this follow-up to his chart-topping "Bali Raw", Malcolm Scott strips off the island's sunny veneer to reveal its dark and dirty underbelly, taking the reader where no tourist guide ever will. Take a walk through the night streets of Kuta Beach to meet its wild and willing hookers, its dolled-up trannies and desperate college girls, and discover first hand all the sexy and sleazy secrets that the island hides by day. Creep through grimy alleyways awash with drugs and thugs and corrupt cops, and hang out in seedy bars full of cheap booze, rowdy pimps and bloody fist fights. Sneak a peek into the private lives of shifty locals and wide-eyed Australian tourists, and enjoy a voyeur's view of the deceit, drama and everything else the island is afraid to show us. In yet another steamy exposé of Bali and its sins and secrets, Bali Undercover suggests why the island may no longer be paradise, but a paradise lost.

The Bali Travel Guide is the most up-to-date, reliable and complete guide to this wonderful place. Travelers will find everything they need for an unforgettable visit presented in a convenient and easy-to-use format. Includes quick information on planning a visit, navigating the location, experiencing Indonesian culture and exploring the beauty of Bali. Also includes a Indonesian phrasebook to help you communicate with the locals. Bali is an Indonesian island known for its forested volcanic mountains, iconic rice paddies, beaches and coral reefs. The island is home to religious sites such as cliffside Uluwatu Temple. To the south, the beachside city of Kuta has lively bars, while Seminyak, Sanur and Nusa Dua are popular resort towns. The island is also known for its yoga and meditation retreats.

Learn the essentials of tropical Balinese fruits with this useful and portable reference book. Bali's Succulent Tropical Fruits make a vivid ans lasting impression on every visitor. Fruits of Bali is a field guide to this cornucopia of exotic shapes, tastes, and smells-providing photographs and descriptions of some 50 varieties, as well as fascinating botanical and background information and tips on buying and preparing the fruits yourself. Even familiar fruits acquire a distinct taste and texture in the island's tropical environment, and those unique to the region provide a surprising and delicious experience.

"Stunning, fresh, and very visual." -- Bride's Magazine From the stately charm of palazzos standing guard on the Grand Canale to intimate details of private homes lining the twisting sidewalks and waterways, Venice is a dream of timeless beauty. From its hand-blown beads and Puccini-singing gondoliers to the wild beat and dazzling costumes of Carnival, discover Venice, happily married to traditions that have put painters, travelers and poets under its spell for centuries. Find the Venice everyone dreams of, but few actually witness. Enjoy the city's fabulous architectural wonders -- ranging in age from 100 to 1,000 years old -- that are by turns intimate and majestic, and explore the twelve neighborhoods from central San Marco to the less-visited but charming Santa Croce. Learn not only where to hire a gondola and how much to pay, but also how these magical boats are built and navigated. Take a guided tour of the Accademia, with its grand collection of Titians, and find the small craft shops where the glass Venice is famous for is blown. Find the best beach on the Lido, choose a pensione that is just right, and sample fegato alla veneziana at a neighborhood trattoria.

The villages on Bali's north-east coast have a long history. Archaeological findings have shown that the coastal settlements of Tejakula District enjoyed trading relations with India as long as 2000 years ago or more. Royal decrees dating from the 10th to the 12th century, inscribed on copper tablets and preserved in the local villages as part of their religious heritage, bear witness to the fact that, over a period of over 1000 years, these played a major role as harbour and trading centres in the transmaritime trade between India and (probably) the Spice Islands. At the same time the inscriptions attest to the complexity in those days of Balinese society, with a hierarchical social organisation headed by a king who resided in the interior - precisely where, nobody knows. The interior was connected to the prosperous coastal settlements through a network of trade and ritual. The questions that faced the German-Balinese research team were first: Was there anything left over of this evidently glorious past? And second: Would our professional anthropological and archaeological research work be able to throw any more light on the vibrant past of these villages? This book is an attempt to answer both these and further questions on Bali's coastal settlements, their history and culture.

Whether you're seeking serenity on a sandy beach, learning to freedive, or trekking to the top of a volcano, a spiritual adventure awaits with Moon Bali & Lombok. Inside you'll find: Flexible itineraries including a week in Bali or Lombok and a two-week island-hopping itinerary covering Bali, Lombok, and the Gili Islands Strategic advice for surfers, spiritual and wellness travelers, culture mavens, and more Must-see highlights and unique experiences: Rent a scooter and cruise past stunning rice terraces, breathe in the smell of incense and witness the Balinese Hindu rituals at Lempuyang Temple, or marvel at the cliff-top temple of Uluwatu. Crack open a fresh coconut, order authentic mie goreng from a food stand, and swap stories with local Sasak people over a thick cup of coffee. Dance until dawn at a beachfront bar or escape the crowds and find solitude on a black sand beach Outdoor adventures: Trek through rainforests to the summit of Mount Rinjani and watch the sunrise peek over the caldera rim. Swim with manta rays and sea turtles, scuba dive among shipwrecks and coral reefs, or surf the legendary waves How to experience Bali and Lombok like an insider, support local and sustainable businesses, avoid over-tourism, and respectfully engage with the culture Expert insight from Chantae Reden, a writer with deep ties to both islands, on where to eat, how to get around, and where to stay, from guest cottages and beach bungalows to luxurious resorts Full-color photos and detailed maps throughout Reliable background information on the landscape, climate, wildlife, and history, as well as common customs and etiquette Handy tools including Balinese, Sasak, and Indonesian phrasebooks, packing suggestions, and travel tips for families with kids, seniors, travelers with disabilities, and LGBTQ+ travelers With Moon Bali & Lombok's practical tips and local know-how, you can plan your trip your way. Exploring more of Asia? Check out Moon Vietnam or Moon Japan.

Explore the exotic world of Balinese cooking—a cuisine dedicated to the gods and fueled by an aromatic array of fresh tropical island spices and ingredients! In Balinese Food: The Traditional Cuisine & Food Culture of Bali, Dr. Vivienne Kruger brings to life Bali's time-honored and authentic village cooking traditions. In over 20 detailed chapters, Dr. Kruger explores how the island's intricate culinary art is an inextricable part of Bali's Hindu religion, its culture and its community life. This book provides a detailed roadmap for those who wish to make an exciting exploration into the exotic world of Balinese cooking, with chapters on: The traditional Balinese kitchen Snacking at a roadside warung Food stall Visiting a traditional Balinese market Preparing delicious satays with a Balinese twist Brewing heavenly kopi Bali coffee Containing interviews with Balinese master cooks and over 40 of their favorite recipes, Balinese Food presents the full range of food experiences you will find in Bali. Sections devoted to ingredients, equipment, and resources make Balinese Food a delightful social and cultural guide to the food of this fascinating island. "Balinese Food is an important contribution to the rapidly expanding scholarly study of foodways in various parts of the world—an important new subset of social and cultural history." —Alden T. Vaughan, Professor emeritus of History, Columbia University

EAT, PAY, LEAVE!Becky Wicks lifted the burqa on Dubai In BURQALICIOUS. Now she turns her attention to Bali as she hilariously navigates life as an adopted Balinese local. A lot can happen when you set out to 'find yourself'. Sometimes, you can even lose the plot.From visiting ancient healers with cellphone addictions to leaving a shaking ashram intent on extracting her soul, Becky Wicks soon discovered that six months travelling round Bali wasn't all going to be about finding inner peace and harmony. In fact, the perils of possessed teens, eating raw, yogic headstands, diving shipwrecks and dicing with black magic and demons all took their toll on the Island of the Gods.And that was before the vaginal steaming.Becky Wicks lifts the sarong on real life in Bali in a blur of locals, tourists, expats and other other eating, praying lovers who arrive... you know... not really knowing who they are.
