Common Core Curriculum. In order to assist schools and districts with the implementation of the Common Core, NYSED has provided curricular modules and units in P-12 ELA and math that can be adopted or adapted for local purposes. Full years of curricular materials are currently available on EngageNY for grades Prekindergarten through 12th grade in Mathematics and Prekindergarten through 12th grade in English Language Arts (ELA).

~~[Common Core Curriculum | EngageNY](#)~~

Curriculum modules in mathematics are marked by in-depth focus on fewer topics. They integrate the CCLS, rigorous classroom reasoning, extended classroom time devoted to practice and reflection through extensive problem sets, and high expectations for mastery. The time required to complete a curriculum module will depend on the scope and difficulty of the mathematical content that is the focus of the module (first priority cluster area for a given grade level).
