Conscience and Convenience was quickly recognized for its masterly depiction and interpretation of a major period of reform history. This history begins in a social context in which treatment and rehabilitation were emerging as predominant after America's prisons and asylums had been broadly acknowledged to be little more than embarrassing failures.

His first book on this subject, The Discovery of the Asylum (1971), sought to describe the origins and early development of the asylum. Conscience and Convenience extends that analysis from the 1880's to World War II. To a remarkable degree this book mirrors the concerns and attitudes of the present.
