Packed with useful tools, this practitioner guide and course text helps educators assess and teach essential literacy skills and strategies at all grade levels (PreK–12). All six literacy modalities are addressed--listening, speaking, reading, writing, viewing, and visually representing. Chapters on specific literacy processes integrate foundational knowledge, assessments, and strategies for students who need support in literacy, including English language learners. Presented are dozens of authentic assessments along with differentiation ideas. In a large-size format for easy photocopying, the book features more than 70 reproducible assessment forms and resources. Purchasers get access to a Web page where they can download and print the reproducible materials.

In v.1-8 the final number consists of the Commencement annual.

This book presents research on the learning of foreign languages by children aged 6-12 years old in primary school settings. The collection provides a significant and important contribution to this often overlooked domain and aims to provide research-based evidence that might help to inform and develop pedagogical practice. Topics covered in the chapters include the influence of learner characteristics on word retrieval; explicit second language learning and language awareness; meaning construction; narrative oral development; conversational interaction and how it relates to individual variables; first language use; feedback on written production; intercultural awareness raising and feedback on diagnostic assessment. It will be of interest to undergraduate and graduate students, researchers, teachers and stakeholders who are interested in research on how children learn a second language at primary school.

This second edition updates a course which has proven to be a perfect fit for classes the world over. The Teacher's Resource Book contains the content for the A and B Combos for Starter level in one volume. All unit numbers and page references correspond to the Combos. It contains extra photocopiable grammar and communication activities and full pages of teaching tips and ideas specially written by methodology expert, Mario Rinvolucri. A Combo Testmaker Audio CD/CD-ROM which allows teachers to create and edit their own tests is also available separately, as is Classware for the full edition which integrates the Student's Book, class audio and video.

A new edition of this popular course for young learners - now seven levels including Starter. Well-loved by children and teachers the world over, Kid's Box is bursting with bright ideas to inspire you and your pupils. Perfect for general use, the course also fully covers the syllabus of the Cambridge Young Learners English (YLE) tests, preparing your students for success at Starters, Movers and Flyers. The interleaved Teacher's Book contains comprehensive notes, as well as extra activities, photocopiable pages and classroom ideas to inspire both teacher and students.

The English in Mind Combos offer flexibility in a contemporary English course for teenagers. Each Combo contains eight Student's Book units with the corresponding Workbook material grouped into two modules, and offers approximately 40 to 45 hours of classwork. Clear learning objectives at the beginning of each module, plus 'Check your Progress' sections at the end, help students and teachers plan learning more effectively. There are free Audio CDs/CD-ROMs combining an interactive CD-ROM and audio material. The English in Mind Combos can be used with mixed-ability classes. Combo Starter A is for complete beginners. Combos 1A and 1B are for elementary students; 1A contains a 16-page starter section to review key language. Combos Levels 2A, 2B, 3A and 3B take students from pre-intermediate to intermediate level.
