about her enigmatic father, Wesley Wallace. Wes was a trusted security guard of the Ritz Carlton Palm Beach. He was supposed to protect those who found themselves in his care. But a closer look into his brutal murder revealed a split personality—one that his daughter may have seen but tried to ignore. However, detectives assigned to the case persuaded her to assist them in the capture of her father's killer. The trail would lead from the glitz of Palm Beach to the murky streets of Dixie Highway and end in a courtroom where her father's secret life, and his dangerous penchant for sex slaves, would be revealed. “An engrossing true story about alternative lifestyles, domination, hidden secrets and a late night murder.”—John Ferak, bestselling author of Failure of Justice

"Daddy's Big Secret, Jordan Learns the Truth," is a heart-felt, non-fiction story that depicts the recollection of his childhood from a father, who is coming to grips with the truth that he had tried to hide from the world and sometimes himself. After long consideration, and with the support of his loving wife; in a moment of questions and answers from his young daughter, he decides to take the huge step of telling her the truth that he'd been hiding for so long. This decision to be more open and honest and embrace his past and still current demons, was one of the hardest decisions that he has ever

Fathers always want to impart wisdom and truth to our children, but how and when to pass on the intimate details of our personal struggles, mistakes, and secrets are often more difficult than anything. At that particular moment in time, I had a choice whether to continue hiding my biggest secret, or to divulge to my biggest fan (my daughter) that her superhero was not the perfect picture that she had painted of me. I recognized in that moment, that my

secret could possibly provide insight into her life, while also giving her the hope that she may eventually need to overcome struggles and internal doubts that plague every person once they realize that their different. It was my obligation to share her Daddy's Biggest Secret, and tell Jordan the truth.

What happens when a world-famous tough guy takes on the toughest job of all— becoming a father? Welcome to the world of the Big Daddy. Steve Schirripa is known for his star turns on *The Sopranos* and *The Secret Life of the American Teenager*, but in his own life he's the father of two daughters of his own—and a self-confessed human volcano. In *Big Daddy's Rules*, Schirripa tells all and brings a welcome dose

of old-school advice (and new-school humor) to the parenting wars. “You’re not there to be a friend,” Schirripa says bluntly. “You’re there to be a dad.” Schirripa serves up the heartwarming and hilarious stories of how he and his wife navigated the wild waters of parenthood: from the moment the tough guy’s heart melted when he held his first-born in his arms to what he felt (and did) the time he caught someone looking at his teenage daughter’s butt. He lays out all the rules for being a Big Daddy— someone who is strong, devoted, and always looking out for his kids’ best interests, even when that means not being the coolest dad on the block. Overprotective? Maybe. Willing to tone it down? Absolutely not. Big Daddy’s Rules is filled with tales of his over-the-top yet heartfelt parenting style—confronting bad

teachers, staring down boyfriends, and explaining just how crazy you're allowed to get if you catch your kid drinking (hint: really, really crazy). With a mixture of street-smart bravado and self-effacing humor, Schirripa pulls no punches as he delivers his no-bull stance on what it takes to raise kids today. He's uproariously funny, but Schirripa isn't just cracking jokes here; this is also a call to action for dads to return to common-sense parenting and reclaim their role as protector and holder of values to be passed down.

One day motivational leader Greg Wright realized that the four set of pretty young eyes under his own roof were looking to Dad to be strong, fearless, and wise. The reality was, the lone male in an all-girl household ("heck, even the dog was

female") was only thirty years old and felt like he had been shoved into the deep end of the estrogen pool without swimming lessons. That's when the love-struck father of four gorgeous pre-teens started searching for a plan for how to be a successful Dad, and did what any sensible guy would do. He bailed. Not only on his family, but into the woods, to seek a "solution." Daddy Dates is an entertaining and practical look at how one American father found his sea legs and is navigating through the tricky waters of parenting girls. In this game-changing book, Greg shares his easy-to-follow secrets for how married and single dads can go beyond high-fiving to bridge the gender gap and become the clued-in man who knows his daughter best. Dads have more influence on their girls than anyone. Learn what makes your daughter tick, how

to talk to her effectively and connect more profoundly, at any age. If being their hero is your mission, it's not impossible. Daddy Dates is your road map to get there. "Hi honey. It's Daddy. I'm calling to see if you'd like to go on a date with me tonight." "Um, yes, Daddy I think I would." It's a phone call Greg Wright has made over and over again. By age thirty, Greg was the overwhelmed father of four beautiful little girls, with one thought running through his mind over and over again: Don't Screw Up. Daddy Dates is about a guy taking his best shot at being a successful dad by trying to know his girls?really know their fears, dreams, and opinions?and how he stumbled across an incredible strategy to do that with daughters of any age or stage. This funny, insightful, and relatable book poses the wildly original concept that should

Online Library Daddys Little Secret A Daughters Quest To Solve Her Fathers

be a "duh" for most dads?but isn't. In order to raise a confident woman-to-be, show your daughter what it feels like to be treated with love, respect, and true interest by a man who loves her. Daddy Dates is not another "how to" book from a parenting expert. It's a personal, eye-opening, often humorous look at an Average Joe's intentional pursuit of his daughter's hearts and minds, and the love-inspired steps he is taking to solidify Dad's place in each of their lives, forever. Whether married or single, Daddy Dates can help you better connect with virtually all of the females in your life. Using Greg's communication cues, you'll be blown away by what you'll learn about your child, and how you can make a powerful, lasting difference?especially during her rocky teenage years. Daddy Dates is about one thing?becoming
