In the stories, Death is both the end of life and a psychopomp. Like most anthropomorphic personifications of death, Death meets with the recently deceased and guides them into their new existence. However, unlike most personifications of death, she also visits people as they are born, according to Destruction in the Sandman Special: The Song of Orpheus. Evidently, only she seems to remember these encounters. In the special issue, it is also revealed that Death was known in Ancient Greece as Tel
