remains indicating that they may have grown as large as Arctic wolves. The species was exterminated from Britain through a combination of deforestation and active hunting through bounty systems.

With help from the boy she loves and the boy who can't stand her, Dez must confront a monster in the Othersphere, where she will have to choose between her human form and her tiger form.

There's no escaping a Dire Wolf shifter on the hunt... Feared by even his own kind, Bez of the Dire Wolf shifters knows exactly how to succeed in any battle. Even if that means racking up collateral damage along the way. A simple mission into the swamplands to save a teenage wolf shifter

should have been an easy track and retrieval for a man with his training, but nothing comes easy when the fates get involved. In one night, Omega Sariel went from a free, single shewolf to a captive with a teenage girl to watch over and a couple of guards intent on making her life miserable...what little is left of it. Then a soldier with ice in his eyes walks in, and the mating call begins. He's too tough, too harsh, too murderous...but when your life hangs in the balance, a lethal fighter in your corner is better than battling alone. Especially one who isn't afraid to get a little dirty with her. Two kidnapped women, one dangerous soldier unknowingly about to come face-to-face with fate, and a monster set on destroying everything in its path. In the world of the Dire Wolves, a retrieval is a simple mission for the unit of soldiers that make up their pack. But this time, a single

glance blows simple right out of the swamp and forces Bez to make his stand alone. One soldier, one fight...one chance at forever. A Feral Breed Motorcycle Club spin-off series featuring alpha wolf shifters fighting for their fated mates.

Hot Dire Wolf Nights, where summer fun meets eternal love... Phoenix Tala is taking a break from his new home on the border of Blue Valley where his Pack and MC have recently settled down. With his Dire Wolf feeling out of sorts and anxious, he figures a road trip is in order. Tracey Donner is tired of her upper-crust parents disapproval. After a shopping trip gets nasty, she takes off for the one place she ever felt happy as a child. Maccon City, New Jersey. She is ready for some serious changes in her life. But until then a girl could have a little fun, couldn't she? Of course, she never expected to run into that

fun. Literally. A spontaneous moonlight skinny dip turns into something else when she swims into a midnight bather with more muscles than she knew it possible for one man to have. She is willing to dive into a vacation fling with the bad boy biker, but Phoenix has forever on his mind. Can he convince the luscious normal to be his mate?

There's no escaping a Dire Wolf shifter on the hunt... Even as the playboy of the Dire Wolves, Levi isn't exactly a soft touch. He likes his liquor, his women, and his photographs...but he also has an affinity for sharp knives and claws. What starts as an assignment to investigate humans finding their way onto a pack's land quickly becomes something darker, more dangerous, and a whole lot hotter than he expected. Amy refuses to leave her pack behind, but living in the small town at the

base of their mountain gives her enough freedom not to feel trapped. So does running the diner she owns and loves. But someone's been watching her a little too closely, and it's not the handsome wolf shifter who crashes into her kitchen one night looking at her as if she is the last woman on earth. One soldier who's never cared enough stay, one woman whose roots run too deep to leave, and a stalker with more than just peeping on his mind. In the world of the Dire Wolves, a simple mission means standing your ground and fighting to the end. But this time, a single glance blows simple right off the mountain and forces Levi to run when he'd rather stand and fight...just as long as his mate is running with him. One soldier, one fight...one chance at forever. A Feral Breed Motorcycle Club spin-off series featuring alpha wolf shifters fighting for their fated mates.

There's no escaping a Dire Wolf shifter on the hunt... No one can understand the tormented life of Dire Wolf Luc. As Alpha of his pack, he should be the most powerful and confident in the bunch, but his ability to sense others—the emotions and presences of existing as both shifter and human—has worn him down. Dire Wolves seem to live forever, but Luc has begun feeling as if the end of his road is approaching. He's also stuck on a mission he can't solve, searching for shewolves he can't find, and failing his pack all the way around. Cassiel is a woman who makes her own rules and lives her own life—a solitary one in the bush of Alaska with just her sled dogs and a healthy respect for the dangerous lands around her. She has no interest in other people or trying to follow someone else's rules. But anyone alone in the bush needs to be prepared for

predators, and while she's ready to tackle any threat, there's one that scares her more than the others. A creature from her nightmares lurking in the dark and howling at the moon. One soldier struggling with the overwhelming chaos in his mind, one woman terrified of the monsters that seem to haunt her world, and a chance encounter that brings each of them closer to the edge of death than ever before. In the world of the Dire Wolves, the leader of the pack is the strongest and surest of them all. But when the mission stalls out, Luc will have to use any means necessary to find the women he can't be sure actually exist...even if that includes scaring off the one woman whose very presence quiets the storm inside him. One soldier, one fight...one chance at forever. A Feral Breed Motorcycle Club spin-off series featuring alpha wolf shifters fighting for their fated mates.

While hunting a powerful female vampire who is wreaking havoc in a small South Carolina town, Diana London, a werewolf, encounters Llyr Galatyn, the king of Cachamwri Sidhe, who makes all of her erotic fantasies come true. Original.

Hailed as “exhilarating,”* “passionate and hot,”** USA Today bestselling author Angela Knight’s supercharged romances combine heated passion with non-stop action. And she’s back with more werewolves and vampires—in a story too hot to handle... Jim London is outraged over the death of his friend, a fellow bounty hunter and werewolf—and thinks the police department of nearby Clarkston cooked up a phony story about Tony’s murder. The only way to find out is to go undercover. And, in his wolf form, Jim can do that better than anybody... There’s

one complication, though. The new police-dog handler, Faith Weston, is sexy enough to bring out the animal in any man...

There's no escaping a Dire Wolf shifter on the hunt... Mammon of the Dire Wolves is too good of a soldier to go against orders. But obsession has a way of breaking you down, and even a shifter as disciplined as he has trouble going with the grain when there's a fated connection dragging him the other way. Too bad that connection is to a woman he sees as his enemy.

There's no escaping a Dire Wolf shifter on the hunt... Dire Wolf Thaus preferred the silence, having spent most of his time alone as the weaponry expert of his pack. But a mission outside of his expertise will challenge him more than he ever expected

and threaten more than just his life. Some memories are too horrific to forget. When Ariel's fragile balance is upended, she'll do whatever it takes to stay alive.

Including running off with a man who scares her almost as much as he intrigues her. An unexpected hero and a woman with scars deeper than one can see crash together on a mountainside fraught with its own dangers. In the world of the Dire Wolves, an Omega shewolf is a blessing none of them deserves. But when an angel sings his name, Thaus will go to hell and back to keep her safe and at his side. One soldier, one fight...one chance at forever. A Feral Breed Motorcycle Club spin-off series featuring alpha wolf shifters fighting for their fated mates.
