Fertility Preservation Resources

Who we are. With the encouragement of IVF pioneer Patrick Steptoe, the British Fertility Society (BFS) was founded in 1972 by a small group with a common interest in infertility. Since then, the burgeoning knowledge in this exciting area of medicine has resulted in the development of many new reproductive technologies and their introduction into clinical practice.

British Fertility Society (BFS)

In partnership with Bioscientifica, the Society for Reproduction and Fertility is pleased to announce the launch of their new fully open-access, peer-reviewed journal, *Reproduction and Fertility*. Led by Co-Editors-in-Chief Andrew Horne and Norah Spears, *Reproduction and Fertility* will see vigorous yet rapid peer review of the latest basic, translational and clinical research in the field.
