Vol. 115 includes Diamond jubilee issue, 1867-1927.

The physical and mental health of an employee influences attendance and quality of work. Indifferent health, lack of a sense of well-being, affects both the individual and the efficiency of the organisation. This book is intended to give general and specific guidance to the non-medical person involved with the health of people working in offices and similar surroundings, on the common cause of ill-health of staff and factors at work which influence health.

Homeopathy has a two-hundred year track record in helping people and animals to come through emergencies
