Governing Through Rights Human Rights

About Governing (Through) Rights. Taking a critical attitude of dissatisfaction towards rights, the central premise of this book is that rights are technologies of governmentality. They are a regulating discourse that is itself managed through governing tactics and techniques – hence governing (through) rights.

Governing (Through) Rights(Human Rights Law in Perspective ...

How rights regulate certain identities and conceptions of what is good governance is examined through the case study of non-state actors, specifically the humanitarian NGO, in the international setting; through a case study of rights agencies, and the role of experts, statistics and indicators, in the European Union or regional setting; and, in terms of the local, the challenge that the blossoming language of responsibility and volunteerism poses to rights in the name of less government (Big ...
