The Plot Against America - Wikipedia
The Nine Nations of North America is a 1981 book by Joel Garreau, in which the author suggests that North America can be divided into nine nations, which have distinctive economic and cultural features. He also argues that conventional national and state borders are largely artificial and irrelevant, and that his "nations" provide a more accurate way of understanding the true nature of North American society. The work has been called "a classic text on the current regionalization of North America"

America America by Ethan Canin -
Goodreads

The American is a novel by Henry James, originally published as a serial in The Atlantic Monthly in 1876 – 77 and then as a book in 1877. The novel is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman, an essentially good-hearted but rather gauche American businessman on his first tour of Europe.

INTO THE AMERICAS (A novel based on a true story) is a gritty, real-life adventure based on one of history's greatest survival stories. It was inspired by the diary entries of young English blacksmith John Jewitt during his time aboard the brigantine The Boston and also during his sojourn at Nootka Sound, on North America's western seaboard, from 1802 to 1805. Written by father-and-son writing team Lance & James Morcan (authors of The World Duology and The Orphan Trilogy), INTO THE AMERICAS is a tale of two vastly different cultures - Indigenous North American and

European civilization - colliding head on. It is also a Romeo and Juliet story set in the wilderness. Nineteen year-old blacksmith John Jewitt is one of only two survivors after his crewmates clash with the fierce Mowachaht tribe in the Pacific Northwest. A life of slavery awaits John and his fellow survivor, a belligerent American sailmaker, in a village ruled by the iron fist of Maquina, the all-powerful chief. Desperate to taste freedom again, they make several doomed escape attempts over mountains and sea. Only their value to the tribe and John's relationship with Maquina prevents their captors from killing them. As the seasons pass, John 'goes Indian' after falling in love with Eu-stochee, a beautiful maiden. This further alienates him from his fellow captive whose defiance leads to violent consequences. In the bloodshed that follows, John discovers another side to himself - a side he never knew existed and a

side he detests. His desire to be reunited with the family and friends he left behind returns even stronger than before. The stakes rise when John learns Eu-stochee is pregnant. When a final opportunity to escape arises, he must choose between returning to civilization or staying with Eu-stochee and their newborn son.

The first book in many years to take in the full sweep of national fiction, *The Dream of the Great American Novel* explains why this supposedly antiquated idea continues to thrive. It shows that four G.A.N. "scripts" are keys to the dynamics of American literature and identity--and to the myth of a nation perpetually under construction.

examine life in a deeply divided America—including Anthony Doerr, Ann Patchett, Roxane Gay, Rebecca Solnit, Hector Tobar, Joyce Carol Oates, Edwidge Danticat, Richard Russo, Eula Bliss, Karen Russell, and many more America is broken. You don ' t need a fistful of statistics to know this. Visit any city, and evidence of our shattered social compact will present itself. From Appalachia to the Rust Belt and down to rural Texas, the gap between the wealthiest and the poorest stretches to unimaginable chasms. Whether the cause of this inequality is systemic injustice, the entrenchment of racism in our culture, the long war on drugs, or immigration policies, it endangers not only the American Dream but our very lives. In Tales of Two Americas, some of the literary world ' s most exciting writers look beyond numbers and wages to convey what it feels like to live in this divided nation. Their extraordinarily
