"HOW SWEET IT IS will set your heart on fire" -Robyn Carr, New York Times bestselling author "One sweet read! Everything I love best: humor, warmth, emotions that pull at the heartstrings, characters that step off

the page, and a wonderful love story."

-- Mariah Stewart, New York Times bestselling author HOW SWEET IT IS

Single mom Lizzie Bea Carpenter learned long ago that no white knight was coming to save her. A

hardworking waitress at the local diner, she's raising her daughter to be like the independent women in her

"Enemy Club"--high school rivals turned best friends, promising to always tell each other the whole truth and nothing but! Yet part of Lizzie

wishes she did have a man's help, just for small stuff, like fixing up the house. Her fairy godmother must

have been listening, because Dante "Tay" Giovanni soon appears. He's sexy, kind, and offering

assistance--no strings attached.

Slowly, steadily, Lizzie's heart opens.

But the grip of the past is fierce, and

nothing in life is ever really free. Tay has his own tragedies to overcome, but if he can, he'll fix more than Lizzie's home. He'll show her just how sweet it is to be loved by him.

Intrigue on the white sands of the Indian Ocean. From the award-winning author of Clifford ' s Spiral. A lonely widower from Los Angeles buys a tour package to East Africa on the promise of hookups and parties. What he finds instead are new reasons to live. Aldo Barbieri, a slick Italian tour operator, convinces Harry to join a group of adventuresome " voluntourists. " In a resort town on the Indian Ocean, Harry doesn ' t find the promised excitement with local ladies. But in the supermarket he meets Esther Mwemba, a demure widow who works as a bookkeeper.

The attraction is strong and mutual, but Harry gets worried when he finds out that Esther and Aldo have a history. They introduce him to Victor Skebelsky, rumored to be the meanest man in town. Skebelsky has a plan to convert his grand colonial home and residential compound into a rehab center – as a tax dodge. The scheme calls for Harry to head up the charity. He could live like a wealthy diplomat and it won't cost him a shilling! Harry has to come to terms with questions at the heart of his character: Is corruption a fact of life everywhere? Is all love transactional? Harry Harambee's Kenyan Sundowner is an emotional story of expat intrigue in Africa, reminiscent of *The Heart of the Matter* by Graham Greene and *The Constant Gardener* by John le Carré.

More than twenty years have passed since Walter Auffenberg's monumental *The Behavioral Ecology of the Komodo Monitor*. In the intervening years the populations of Komodo dragons—native only to a handful of islands in southeast Indonesia—have dwindled, sparking intensive conservation efforts. During the last two decades new information about these formidable predators has emerged, and the most important findings are clearly presented here. A memoir from Walter Auffenberg and his son Kurt is followed by the latest information on Komodo dragon biology, ecology, population distribution, and behavior. The second part of the book is dedicated to step-by-step management and conservation techniques, both for

wild and captive dragons. This successful model is a useful template for the conservation of other endangered species as well, for, as Kurt and Walter Auffenberg note, “ The species may well indeed survive in the wild for generations to come while countless other organisms are lost. ”
