Life on the Line: Ethics, Aging, Ending Patients' Lives ...

Often, the terms "ethics" and "morality" are confused and used as synonyms; However, there are certain differences between these. The word "ethics" comes from the Greek Ethikos, which means character; While the word "moral" comes from the Greek word Mos, which means custom. In other words, moral behavior responds to a set of customs established by a group of individuals, while ethical behavior is ...

The concepts of business ethics and social responsibility have distinct identities. Yet, they are often used to refer to the same argument or code. The term business ethics is supposed to be a combination of two very familiar words, namely business and ethics (Dimitriades 2007 pp1).

Business Ethics and Corporate Social Responsibility - Is ...

Ethics is a responsibility shared by us all, which is why it's important that we're all clear on what's expected of us, and those we do business with. In October 2015, mandatory company-wide ethics training was launched to raise awareness of business ethics throughout the organisation, and to date, has been completed by over 35,000 employees and contractors.
