This book is Mike Tyson's life story, in Mike Tyson's words, as told to a writer. It might not be the undisputed truth, but it is his truth, and it's his entire truth. It is brutally, unforgivingly honest, and while he has few kind words for the likes of King, Robin Givens, and Desiree Washington, no one fares worse in these pages than Tyson himself.

THE GREATEST BOXING COACH IN HISTORY 'The Cus D'Amato Mind' teaches the principles and philosophies of the great trainer D'Amato, which took young boys such as Mike Tyson and Floyd Patterson to the heavyweight championship in a few short years. THE MAN WHO MADE MIKE TYSON In 1980, a young Mike Tyson was in the Tryon school for juvenile delinquents. By the age of 13, Mike had already been arrested dozens of times, had suffered bullying, and often engaged in criminal activities like armed robbery and house burglary. He was heading down a certain path to death or a life of prison. Fast forward six years later, and Mike Tyson had become the youngest heavyweight champion at 20 years old, after destructively crafting a route to the top. What had happened? How could such a change happen in such a short space of time? The answer is Cus D'Amato. The great boxing coach Cus D'Amato was a revolutionist. He was a modern-day philosopher. He was a leader who changed the lives of those he helped. Cus would literally take juvenile kids of the street, and house them in his fourteen-room mansion. Impressively, he was able to instill them with the character of champions, so they would be able to go out and conquer the world, whether they were fighters or not. Cus D'Amato created champions. LEARN HIS SECRETS In this book, we break down the mental strategies that any fighter (or anyone) can use in order to excel towards greatness. Fighters all over the world are able to acquire trainers that can teach technique. But they are unable to find teachers, like the Cus D'Amato's and the Angelo Dundee's, who can instill them with charismatic confidence, and help them deal with anxiety and fear before matches. The book consists of five sections. Each section is designed to empower you in a different area. The five sections are: * Character * Fear * Anxiety * Resistance * Leadership Without knowing what makes a champion, and how you can become one too, you will never be able to achieve it. After learning what makes 'The Cus D'Amato Mind', you will be more charismatic, confident, with a greater sense of control over your path to boxing greatness.

From the former heavyweight champion and New York Times – bestselling author comes a powerful look at the life and leadership lessons of Cus D' Amato, the legendary boxing trainer and Mike Tyson 's surrogate father. "[Iron Ambition] spells out D'Amato's techniques for building a champion from scratch." – Wall Street Journal When Cus D' Amato first saw thirteen-year-old Mike Tyson spar in the ring, he proclaimed, " That ' s the heavyweight champion of the world. " D ' Amato, who had previously managed the careers of world champions Floyd Patterson and Jos é Torres, would go on to train the young Tyson and raise him as a son. D'Amato died a year before Tyson became the youngest heavyweight champion in history. In Tyson ' s bestselling memoir Undisputed Truth, he recounted the role D ' Amato played in his formative years, adopting him at age sixteen after his mother died and shaping him both physically and mentally after Tyson had spent years living in fear and poverty. In Iron Ambition, Tyson elaborates on the life lessons that D ' Amato passed down to him, and reflects on how the trainer ' s words of wisdom continue to resonate with him outside the ring. The book also chronicles Cus ' s courageous fight against the mobsters who controlled boxing, revealing more than we ' ve ever known about this singular cultural figure.
