Named one of the best books of historical fiction by the New York Times Acclaimed Irish novelist Nuala O'Connor's bold reimagining of the life of James Joyce's wife, muse, and the model for Molly Bloom in *Ulysses* is a "lively and loving paean to the indomitable Nora Barnacle" (Edna O'Brien). Dublin, 1904. Nora Joseph Barnacle is a twenty-year-old from Galway working as a maid at Finn's Hotel. She enjoys the liveliness of her adopted city and on June 16—Bloomsday—her life is changed when she meets Dubliner James Joyce, a fateful encounter that turns into a lifelong love. Despite his hesitation to marry, Nora follows Joyce in pursuit of a life beyond Ireland, and they surround themselves with a buoyant group of friends that grows to include Samuel Beckett, Peggy Guggenheim, and Sylvia Beach. But as their life unfolds, Nora finds herself in conflict between their intense desire for each other and the constant anxiety of living in poverty throughout Europe. She desperately wants literary success for Jim, believing in his singular gift and knowing that he thrives on being the toast of the town, and it eventually provides her with a security long lacking in her life and his work. So even when Jim writes, drinks, and gambles his way to literary acclaim, Nora provides unflinching support and inspiration, but at a cost to her own happiness and that of their children. With gorgeous and emotionally resonant prose, *Nora* is a heartfelt portrayal of love, ambition, and the quiet power of an ordinary woman who was, in fact, extraordinary.

A backstage look at the making of Nora Ephron's revered trilogy--When Harry Met Sally, You've Got Mail, and Sleepless in Seattle--which brought romantic comedies back to the fore, and an intimate portrait of the beloved writer/director who inspired a generation of Hollywood women, from Mindy Kaling to Lena Dunham. In I'll Have What She's Having entertainment journalist Erin Carlson tells the story of the real Nora Ephron and how she reinvented the romcom through her trio of instant classics. With a cast of famous faces including Reiner, Hanks, Ryan, and Crystal, Carlson takes readers on a rollicking, revelatory trip to Ephron's New York City, where reality took a backseat to romance and Ephron--who always knew what she wanted and how she wanted it--ruled the set with an attention to detail that made her actors feel safe but sometimes exasperated crew members. Along the way, Carlson examines how Ephron explored in the cinema answers to the questions that plagued her own romantic life and how she regained faith in love after one broken engagement and two failed marriages. Carlson also explores countless other questions Ephron's fans have wondered about: What sparked Reiner to snap out of his bachelor blues during the making of When Harry Met Sally? Why was Ryan, a gifted comedian trapped in the body of a fairytale princess, not the first choice for the role? After she and Hanks each separately balked at playing Mail's Kathleen Kelly and Sleepless' Sam Baldwin, what changed their minds? And perhaps most importantly: What was Dave Chappelle doing ... in a turtleneck? An intimate portrait of a one of America's most

iconic filmmakers and a look behind the scenes of her crowning achievements, *I'll Have What She's Having* is a vivid account of the days and nights when Ephron, along with assorted cynical collaborators, learned to show her heart on the screen.

In 1904, having known each other for only three months, a young woman named Nora Barnacle and a not yet famous writer named James Joyce left Ireland together for Europe -- unwed. So began a deep and complex partnership, and eventually a marriage, which endured for thirty-seven years. This is the true story of Nora, the woman who, transformed by Joyce's imagination, became Molly Bloom, arguably the most famous female character in twentieth-century literature. It is also the story of Ireland, a social history encapsulated in the vivid recreation of Joyce and his small Irish entourage abroad. Ultimately it is the portrait of a relationship -- of Nora's complicated, committed, and at times shocking relationship with a hardworking, hard drinking genius and with his work. In *NORA: THE REAL LIFE OF MOLLY BLOOM*, the award-winning biographer Brenda Maddox has given us a powerful new lens through which to see both James Joyce and the woman who was in turn his inspiration and his salvation.

She also introduces the term symmathesy to describe the contextual mutual learning through interaction that takes place in living entities at larger or smaller scales. While she retains her father's rigorous attention to definition, observation and academic precision, she also moves well beyond that frame of reference to incorporate more embodied ways of knowing and understanding. These are reflected in her essays and poems on food, Christmas, love, honesty, environmentalism and leadership.
