The Pacific Northwest (PNW), sometimes referred to as Cascadia, is a geographic region in western North America bounded by the Pacific Ocean to the west and (loosely) by the Rocky Mountains on the east. Though no official boundary exists, the most common conception includes the Canadian province of British Columbia (BC) and the U.S. states of Idaho, Oregon, and Washington.

by Adam Wilt Koerner Camera Systems hosted the third annual Pacific Northwest Lens Summit on a sunny Saturday, May 4 th, in their spacious Portland, Oregon facility. The Lens Summit is a single-day event focused (yes :) on cine optics. You can meet two dozen lens, optical and accessory vendors and ogle their products with few distractions — other than the perennial Portland favorites of tacos, donuts, microbrews and Unipiper (Portland's own kilt-wearing, bagpipe-playing, flame-throwing ...
