Pagan is a bit bored of the fighting, way-too-easy sex and crime. With the Henchmen MC's ranks having been depleted through war, the clubhouse isn't quite the same. A little disillusioned with the desperate women hanging around the clubhouse, he strolls over to the caf  where a shiny bracelet catches his eye.

Book #16 and still just as interesting as book #1. The Henchmen are by far my favorite MC ever and we continue to meet new members who are all unique but so great in there own ways. Virgin we got to know some about his life in Sugars book given they grew up together but hearing his version makes me just as sad.

Pagan- Fighting. F cking. F@cking things up. That was my life. That was how I got out of the world I had been raised in. And it was how I intended to keep living my life. That was, of course, until I came across her. The game changer. Kennedy- Hard work. That was pretty much all you could say my life consisted of. It was what got me out of a rough childhood. It was what made me get my first taste of success. Before things went to hell, that is. But it was what was going to get me back on my feet too. So I didn't need any distractions. Certainly not one that came covered in scars, blood, leather, and in a cloud of cigarette smoke. Yet, there he was. And I was thinking maybe a distraction wouldn't be that bad, right?

Joining the MC had never been a question.Raised by an ex-cage-fighting member, Niro hadn't seen any future for himself that didn't involve bikes, guns, violence, and the brotherhood he'd learned to revere above all else. But joining the Henchmen meant he couldn't have the only other thing in life he wanted.Andi.The daughter of one of the OG members of the club. His childhood best friend. The only chink in his otherwise impenetrable armor. For years she was gone. And he did everything he could to forget her, to become the kind of monster she would never look twice at again.The problem was, she was back in town.And new enemies were around every corner.Ones who might set their sights on the only woman who could ever mean anything to him...

The war was over. The dust had settled. The numbers were increasing. Everything had finally started to calm down. Until one night on a walk, I came across her...

1 notorious lser 1 innocent trapped in an impossible situation 1 viscous crime lord 3 people who aren't who they appear to be = one big (bloody) mess. Reign is no stranger to the criminal underbelly and hard life, but when a random woman comes (literally) crashing into his life- learning things she has no business knowing, and bringing with her the weight of the city's biggest skin trader, the "hard life" starts to take on a whole new meaning.

They knew she was going to strike back for taking down her empire, for imprisoning her for years.All those years stuck in a cell gave her a lot of time to think, to plot, to plan her revenge.But they couldn't have anticipated this.* This can not be read as a standalone.** This is also not a romance. This is a dramatic suspense story told from many POVs including old favorites and some new faces, all dealing with the events before, during, and after V's eventual demise.

MAZE: In concept, the plan was simple: prospect at The Henchmen MC. In practice, however, it was anything but. One, because I was a woman. Two, because it was a brotherhood. And three, because Repo, the man who was in charge of making my life a living hell until I quit or screwed up enough to get thrown out, also happened to be the hottest guy I had come across in ages. The problem was, if I didn't get in and stay in despite the hazing from the members and the undeniable attraction building between me and Repo, there was a very good chance I would be found by them. And if I was found by them, well, I was dead. REPO: How the hell was I supposed to get her out of the MC when, one, I didn't agree with the fact that because she was a woman, she had no place in The Henchmen. Two, because she was strong, smart, capable, and determined to get a patch. And three, because, well, I wanted her. The problem was, if I didn't get her kicked out, I would be screwing up a job that was important to the prez. But the problem was also that if I kicked her out, there was no way I was going to get a shot with her. I didn't know, however, that the real problem was a lot more complicated and a lot more dangerous than disappointing my boss or not getting laid... the problem was Maze had demons and they were hot on her trail...

He was just supposed to be saving her from herself... and the half dozen criminal enterprises that would want her blood when they realized what she had done. What he hadn't planned on was her invading every aspect of his life with her fiery temper and inability to take no for an answer. And when he finally got beneath her walls and found out why she had gotten herself into trouble in the first place, he knew what he needed to do. He sure as hell didn't think he would end up being the one who would need saving...

LennyI have one mission in life.Revenge.I didn't have time for anything else.Let alone the mysterious, unfairly good-looking member of a local outlaw biker gang. But Edison is not the kind of man to be easily ignored, and the closer he gets, the more I seem to sway from my mission. Until the unthinkable happens. EdisonShe's special.That has always been my type, women with that "something" that you can't quite put your finger on. And Lenny with her knife-sharp tongue, stubbornness, and guards thicker than almost any I had ever seen, yeah, she had that thing. And I wanted to put my finger on it. Finger. Mouth. Tongue... everything on her. But Lenny is hiding things.And it wasn't until her world shatters around her that I finally get to see what was beneath them all along. And it is more than I could have ever hoped for. It's something I want to hold onto. I guess the only thing left is to get that through her stubborn head as well...

It meant war. DUKE The relative peace we have known for years was gone in one violent act. Then, among the ever-present and increasingly bloody unknown threat, I met her. But when passions ignite, complicating an already impossible situation, I am left to wonder if there is a way to overcome the dark and twisted secrets of my past that would allow me to have any kind of future with her. PENNY I was just a normal girl. I swear. One moment, I was just living my usual boring life. The next, I found myself in the middle of some kind of underground war between an outlaw biker gang and some faceless enemy. Trapped in a whole new world and in ever-increasing close proximity to the tall, strong, long blond-haired, deep blue-eyed biker named Duke, yeah, let's just say things got even more interesting. But Duke had secrets. And when they came into the light, I realized they were the kind that I wasn't sure I could live with...

Cyrus - Family. Brotherhood. Music. Women.That was pretty much my life. And it was one I was happy with too. Until I came across her- the one woman I knew I had no right to put my hands on, the woman who I still felt such a connection with that, even though I knew I had to keep my hands - and other body parts - to myself, I wanted to be in her life.So I became her friend.Except, this sweet, shy, bookworm was making being honorable a hell of a lot harder than I expected.ReeseFamily. Books. To be perfectly honest, that was pretty much all my life was about. And I was happy with that. I lived a thousand lives. I saw and felt things in stories I never could have otherwise.Besides, real life was never as good as books.Until I came across him.He was leading man material if I ever saw it.You know, just not for me.He made that perfectly clear.We were going to be friends.Friends.That was it.Except, maybe that simply wasn't enough...
