If you leave something to charity in your will, then it won't count towards the total taxable value of your estate. This is called leaving a 'charitable legacy'. You can also cut the Inheritance Tax rate on the rest of your estate from 40% to 36%, if you leave at least 10% of your 'net estate' to a charity.

of local communities and the well-being of our whole society. Among the "free list" or tax-free properties which the author examines are churches, hospitals, schools, and government buildings. Seven specific proposals for reform are set forth.

Presents a collection of papers by economists theorizing on the roles of altruism and morality versus self-interest in the shaping

of human behavior and institutions. Specifically, the authors examine why some persons behave in an altruistic way without any apparent reward, thus defying the economist's model of utility maximization. The chapters are accompanied by commentaries from representatives of other disciplines, including law and philosophy.

Building on the success of the first edition, this thoroughly revised and expanded edition explores (1) areas of general agreement from previous research; (2) areas of conflicting results and unexplored questions; (3) the

relative roles of theory, data availability and empirical analysis in explaining gaps in our knowledge; and (4) what must be done to improve our knowledge and extend the literature. Selected original chapters addressing especially challenging topics include the value of risk management to nonprofit decision-making; nonprofit wages theory and evidence; the valuation of volunteer labor; property tax exemption for nonprofits; when is competition good for the third sector; and product diversification and social enterprise; international perspectives; the application of experimental
