Anastasi and Urbina's Psychological Testing is arguably the worst-written book I have ever had the displeasure of reading. The book is rife with arcane jargon that the authors never bother to define.

Psychological Testing, 7 Ed: Urbina Anastasi ...

Anne Anastasi (December 19, 1908 – May 4, 2001) was an American

Acces PDF Psychological Testing Anne Anastasi

psychologist best known for her pioneering development of psychometrics. Her generative work, *Psychological Testing*, remains a classic text in which she drew attention to the individual being tested and therefore to the responsibilities of the testers. She called for them to go beyond test scores, to search the assessed individual's history to help them to better understand their own results and themselves.

(PDF) Anastasi, Anne - researchgate.net

Anne Anastasi's research focused on understanding and measuring the factors underlying the development of individual differences in psychological traits (Anastasi, 1972, 1989). She argued against the strictly hereditarian position, emphasizing the role of experiential and environmental influences on intelligence test scores and psychological development.
