Rebecca (Alpha Marked #4) by Celia Kyle. Review by Phoenix Andrews, 4 out of 5. Going by my expectations for an erotic romance novella, REBECCA was wonderful. I found the heroine hilarious, if a bit over the top with her crazy inner dialogue. During the opening scene we see Rebecca on a doomed date with a too-happy vegetarian hiker and get a ...

Rebecca needed his protection even if Aidan lurked on her other side. Rebecca ' s fingers remained buried in the fur on his back, sinking deep and fisting his strands. The hold, the sting of her tugs, kept him grounded, focused on herding her toward the elevator and not tearing into the dead wolf once again.

Rebecca Twynham hates nature, loves a juicy steak, is not Marked,  
and thinks wolves come in one form: on four feet and with fur. So  
when she's hauled to the annual werewolf Gathering by this scary as  
hell magical vortex, she's pretty surprised to find out werewolves are  
real. With that new knowledge, she finds she still hates nature, she'd  
love a juicy steak, and maybe—she might be—Marked. Well, she  
doesn't see a Mark, but she also has heavy scarring from a  
childhood accident—or was it intentional? Plus, she really wants to  
climb the gorgeous Alpha Pair, Aidan and Carson, like a tree.  
Luckily the two hot werewolves wanna sink their roots into her  
flower and... The nature analogies have gone too far. Aidan and  
Carson have been a strong Alpha Pair for fourteen years. They're  
tied together by their bond, and ache to claim a woman as their  
own. But while Carson has always been the GQ ladies' man, Aidan  
has been the afterthought—the heavily scarred and frightening  
werewolf who's caused more than one woman to faint. When they

find Rebecca hiding in the Bad Doggie ballroom, they rejoice that they've finally found the one for them. Except with curvaceous, delicious Rebecca, their roles are reversed. Instead of rushing into the arms of sleek and sexy Carson, Rebecca clings to Aidan. Carson should rejoice in her acceptance of Aidan, but jealousy rears its ugly head, destroying their triad before it has a moment to form. Then things go from jealousy-driven bad to worse when the five families decide there won't be any more Wickhams joining the wolfy family trees. Oh, right, she forgot that part. Apparently her Wickham cousins are kind of a big deal in werewolf land. Big.

Whitney Wickham is at the annual werewolf Gathering ... but she doesn't belong there. Her sisters carry the Mark indicating they'll mate an Alpha Pair of wolves; Whitney does not. She's been hauled half way around the world to be stared at, and not-so-covertly sniffed, for no reason. Unfortunately the gorgeous, drool worthy, magic-mojo-wielding Wardens don't know why she's been summoned to the Gathering any more than she does. But at least Emmett Greene and Levy Walters, the Wardens, are hot. They can never mate, never marry, and never form a lasting romantic relationship. It's a hard and fast law ... but one look at Whitney, one hint of her scent, and they realize their immovable laws might have to jiggle.

Thirty and single? Well, getcha ass to the Gathering! Wait... what? Paisley Twynham is over the whole werewolf thing. It'd been a shock to be magically kidnapped and plopped in the middle of a werewolf gathering. Then she got kidnapped a second time, had the crap beat out of her, escaped, and then met two men who are supposed to be her mates. Yup, all kinds of "over" the Gathering. Her only salvations are her sisters and... the two men she can't help but drool over. Tall, muscular, sexy as hell, and for some reason, they want her fluffy ass. Maybe she doesn't hate werewolves as much as she thought... Chance and Hawkins don't quite have a

solid Warden bond. Hawkins is holding back while Chance is slowly reaching the end of his patience after ten years of partnership. The only woman who might save them is Paisley. Seductive, curvaceous, vivacious Paisley Twynham. She's their Warden Born mate and Chance refuses to let Hawkins' past stand in the way of their future. But something else hides in their path that threatens to end their mating before it begins. Or rather, someone.

Thirty and single? Well, getcha ass to the Gathering! As if hitting thirty wasn't enough, unmated Scarlet Wickham is summoned to this year's Gathering. As a woman Marked to be the mate of an Alpha pair, she's not going to find happiness anywhere other than in the arms of two Alpha werewolves. So, off she goes with her sisters in tow. 'Cause yeah, she's one of the plump Wickham triplets, and they're all being carted off to werewolf speed dating. Keller and Madden, Ruling Alpha pair, can't believe their luck. They've found their mate, and she's more than they could have ever hoped for. She's feisty with spirit to spare, and lush curves that they want to trace with their tongues. They can't wait to solidify their bond and get to know the beautiful woman who is to rule at their side. But first, there's the minor inconvenience of a challenge to the death...

Thirty and single? Getcha ass to the Gathering! Ugh. Gabriella Wickham thought turning thirty was bad enough, but now she's been invited (ordered) to attend this year's Gathering (werewolf speed dating). Having a Mark on her arm means that she's one of the few human women destined to mate with not one, but two Alpha werewolves. Thank goodness werewolves don't come in “ ugly. ” After her sister Scarlet mates the Ruling Alphas, things really start to get interesting. Gabby runs into not one, but two hotter than hot werewolves who make her tingle in all the right places. Yum. Of course, “ yum ” comes with baggage of both the mental and female kind. Lovely. Luckily it's nothing a few punches and a good talking to can't cure. Maybe...-ish. Berke Davis and

Jack Wright know that lush, curvaceous Gabriella is their mate. Who cares that they're currently not part of an Alpha pair? Details, details. Burke has been half bound to his best friend Jack since they were four, but the past keeps them from solidifying their pairing and taking up the mantle of Alpha. Berke understands his friend's feelings, but Jack is about to get a lesson on living and loving. Berke just hopes the lessons are learned before they both lose Gabriella. Especially when she is Challenged by a rival to first blood... a Challenge that could end in very permanent, and deadly, consequences...for Gabriella.
