The Red Angel suit was a product of the Daedalus Project, a time travel program set up by Section 31 in the 2230s out of concern of a temporal arms race with the Klingons. Developed by Mike and Gabrielle Burnham, the suit was capable of allowing a single pilot to travel through time via micro-wormholes with the assistance of a time crystal. Since wormholes were inherently unstable, the Angel ...

What does all this stuff about flying saucers amount to? What can it mean? What is the truth? Let me have a report at your convenience. Winston Churchill 28th July 1952 A mysterious kidnapping. A close encounter at an RAF Base in the north of England. Strange objects seen in the skies above Great Britain. A mysterious stranger with the ability to see the future. A tense standoff between Russian and American warships in the North Sea. When Cambridge physicist Professor Ralph Frederick is summoned to the office of wartime Prime Minister Winston Churchill he is given a very unusual task. Frederick is tasked with investigating flying saucer sightings which have been occurring up and down the United Kingdom. Frederick's world is turned upside down, as a diehard sceptic is soon turned when he encounters beings from another world. Set during the 1950s Codename Angel is a blend of Cold War tension and flying saucer paranoia. Based on real life flying saucer sightings and drawn from a memo that Winston Churchill actually wrote in 1952. Codename Angel is a blend of Cold War intrigue, science fiction and hidden history. The first in a book series that spans the second half of the 20th Century and beyond. Are you ready to believe! Reviewers reactions on both side of the Atlantic. A great story woven around actual events concerning the secrets behind the UFO phenomena both in the UK and the US. I'm a sucker for a UFO, conspiracy action packed thriller, deep throated spy, fact, fiction and lots of other well placed words tossed in for good measure.....this one has it all and I love it!

The children are back. And this time, they're out for blood. In this gripping supernatural thriller of horror and edge-of-your-seat suspense -- from New York Times bestselling author Douglas Clegg -- something is terribly wrong with the children of Colony, West Virginia. Innocent though they seem, these kids come out at night -- to hunt. "Clegg is the best horror writer of the post-Stephen King generation." - Bentley Little, bestselling author of *The Haunting*. When Joe Gardner returns with his wife and two young children to the peaceful mountain town of Colony, West Virginia, he doesn't expect to find the girl who disappeared when he was a boy. But she remembers Joe -- and her other friends who left her behind, way down in a deep well within a mysterious barn. "Clegg's stories can chill the spine so effectively that the reader should keep paramedics on standby."--

Former Navy SEAL Jedidiah Johnson returns to Nashville ready to begin his training with the elite warriors known as the Shepherds. He thinks he knows what to expect when he arrives on the sprawling, state-of-the-art facility but quickly realizes he'll have to find his place as the rookie leader of a new team. Then he starts having visions of an imminent attack overseas, and with the clock ticking, Jed and his team are dispatched to neutralize the threat. All the while, Jed hears whispers of another threat . . . a name that raises unexplained fear and anger throughout the Shepherds organization. Once a military man, Nicholas Woland betrayed the Shepherds and all they stood for when he joined their enemies. After years in prison, Woland is eager to get back in action spreading chaos and death. And he has been freed for a purpose: a sinister plot that will result in hundreds of casualties and incite worldwide religious warfare for years to come. As Woland and the Shepherds race toward a collision, Jed must rely on his gifts, his training, and his untested team to make critical decisions on a global stage—never realizing that a secret servant of the enemy is growing closer and closer to him.

Never play the Dark Game...It will take you over...it will come alive... From New York Times bestselling author Douglas Clegg comes this riveting supernatural thriller of dangerous secrets within a haunted family. After one of the most vicious killings of recent years, Nemo Raglan must return to the New England island he thought he'd escaped for good . . . and the shadowy home called Hawthorn. "Douglas Clegg has become the new star in horror fiction, and *The Hour Before Dark* is his best and most exciting novel to date. This is pure imagination, and it is wearing speed skates." - Peter Straub, New York Times bestselling author of *Ghost Story* and, with Stephen King, *The Talisman*. *"...An eerie psychological tale of supernatural horror that builds suspense gradually as the characters slowly peel back the layers of their past and face the terrors of their shared childhood. Clegg approaches horror with a stark and vital simplicity that is utterly convincing. Fans of Stephen King and Dean Koontz will appreciate this atmospheric gem." -- Library Journal. "I was compelled to keep turning the pages as fear...raised my pulse to racing level from cover to cover." -- DarkEcho. Here Comes a Candle to Light You To Bed... As Nemo unravels the mysteries of his past and a terrible night of childhood, he witnesses something unimaginable...and sees the true face of evil...while Burnley Island

picture of an angel and a handful of white feathers into the banker's pocket before pushing him in front of a train. A killer is stalking The Square Mile—the financial district in London—an avenging angel intent on punishment. But why these victims? What were their sins? Psychologist Alice Quentin swore she'd never get involved with police work again. Her duty is to the living, not the dead. But she owes Detective Don Burns a favor. He was the one who would sit for hours when the last case they worked on together had landed her in the hospital. That case had clearly taken its toll on him, and his career, too. So when he comes begging for help, how can she refuse? In order to find the murderer, Alice and Detective Burns must dig deep into the toxic heart of one of the major financial centers in the world. A place where money means more than life, and no one can be counted innocent. *A Killing of Angels* is the second book in Kate Rhodes' Alice Quentin Series.
