If you think softball is just a "womens version" of the great American pastime of baseballwell, think again. Fastpitch softball is one of the most widely played sports in the world, with tens of millions of active participants in various age groups. But the origins of this beloved sport and the charismatic athletes who helped it achieve prominence in the mid-twentieth century have been largely forgotten, until now. Fastpitch brings to life the eclectic mix of characters that make up softballs vibrant 129-year history. From its humble beginnings in 1887, when it was invented in a Chicago boat club and played with a broomstick, to the rise in the 1940s and 1950s of professional-caliber company-sponsored teams that toured the country in style, softballs history is as diverse as it is fascinating. Though its thought of today as a womans sport, fastpitch softballs early years featured several male stars, such as the vaudeville-esque Eddie Feigner, whose signature move was striking out batters while blindfolded. But because softball was one of the only team sports that women were allowed to play competitively, it took on added importance for female athletes. Top fastpitch teams of the 1940s, 50s, and 60s, such as the New Orleans Jax Maids and Connecticuts Raybestos Brakettes, gave women access to employment and travel opportunities that would have been unavailable to them otherwise. At a time when female athletes had almost no prospects, softball offered them a chance to flourish. Women put off marriage and moved across the country just for a shot at joining a strong team. Told from the perspective of such influential players as Bertha Ragan Tickey, who set strikeout records and taught Lana Turner to pitch, and Joan Joyce, who struck out baseball legend Ted Williams and helped found a professional softball league with Billie Jean King, Fastpitch chronicles softballs rich history and its uncertain future (as evidenced by its controversial elimination from the 2012 Olympics and the mounting efforts to have it reinstated). A celebration of this unique American sport and the role it plays in our culture today, Fastpitch is as entertaining as it is inspiring. -- Provided by publisher.

career records--including an incredible 150 no-hitters and 50 perfect games--made her the best in the game. However, she was also one of the most gifted athletes the state has ever produced, as she also set records in basketball and later went on to a stellar career in the LPGA. A true pioneer of women's sports, Joan is currently the head softball coach at Florida Atlantic University. Join author Tony Renzoni as he profiles the multifaceted career of one of the country's greatest athletes.

Up-to-date facts and figures on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more make the 28th edition of Profiles of American Colleges America's most authoritative data source for college-bound high school students, their parents, and high school guidance counselors. More than 1,650 accredited four-year colleges are profiled. An interactive CD-ROM enclosed with the directory guides students to specific schools when they enter details describing their personal academic plans and aptitudes. In addition to the above-cited information, each college profile gives details on: • Admission requirements • Library and computer facilities • Admissions procedures for freshmen • Campus safety and security • Thumbnail descriptions of faculty • Requirements for a degree • Athletic facilities • Extracurricular activities • E-mail addresses • College fax numbers and web sites • Admissions Contacts • and much more Schools are rated according to Barron's well-known competitiveness scale, from "Noncompetitive" to "Most Competitive." Unlike some other publications, Barron's refrains from the unreliable practice of ranking colleges on a first-through-last basis. The book's tinted pages section presents a quick-reference Index of College Majors that lists all available major study programs at each school. Also profiled are many excellent colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries.
