More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: | Avoid the 9 deadly sins that destroy startups' chances for success | Use the Customer Development method to bring your business idea to life | Incorporate the Business Model Canvas as the organizing principle for startup hypotheses | Identify your customers and determine how to "get, keep and grow" customers profitably | Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

Former executive editor of The New York Times and one of our most eminent journalists Jill Abramson provides a |valuable and insightful| (The Boston Globe) report on the disruption of the news media over the last decade, as shown via two legacy (The New York Times and The Washington Post) and two upstart (BuzzFeed and VICE) companies as they plow through a revolution that pits old vs. new media. |A marvelous book| (The New York Times Book Review). Merchants of Truth is the groundbreaking and gripping story of the precarious state of the news business. The new digital reality nearly kills two venerable newspapers with an aging readership while creating two media behemoths with a ballooning and fickle audience of millennials. |Abramson provides this deeply reported insider account of an industry fighting for survival. With a keen eye for detail and a willingness to interrogate her own profession, Abramson takes readers into the newsrooms and boardrooms of the legacy newspapers and the digital upstarts that seek to challenge their dominance| (Vanity Fair). We get to know the defenders of the legacy presses as well as the outsized characters who are creating the new speed-driven media competitors. The players include Jeff Bezos and Marty Baron (The Washington Post), Arthur Sulzberger and Dean Baquet (The New York Times), Jonah Peretti (BuzzFeed), and Shane Smith (VICE) as well as their reporters and anxious readers. Merchants of Truth raises crucial questions that concern the well-being of our society. We are facing a crisis in trust that threatens the free press. |One of the best takes yet on journalism's changing fortunes| (Publishers Weekly, starred review). Abramson's book points us to the future.

Shares advice for transitioning away from unfulfilling jobs to embark on adventurous, meaningful careers, outlining recommendations for starting a personal business with a minimum of time and investment while turning ideas into higher income levels. 60,000 first printing.

Online Book Arbitrage is the first step-by-step guide to finding books on Amazon and reselling back on Amazon for a profit. Authored by online book arbitrage pioneer Peter Valley, this book will cover: How the biggest source of books to resell isn't a library book sale - its Amazon. 1. The 7 ingredients of a book that can be flipped on Amazon. 2. How the biggest source of books to resell isn't a library book sale - its Amazon. 3. The 7 ingredients of a book that can be flipped on Amazon. 4. Examples of books on Amazon you can buy and resell for profits - right now. 5. Keywords to search for on Amazon that will lead you to book arbitrage gold. 6. A quick formula for making an extra \$1,000 a month... without leaving your computer. 7. Interviews with Amazon sellers who practice online book arbitrage. ...and more.

Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy.

A consultant to some of America's leading corporations shares key insights and ideas on how to supercharge one's business and career, explaining how to create and develop new opportunities for wealth in any business, enterprise, or venture. Reprint. 50,000 first printing.

The inspiring, life-changing bestseller by the author of LEADERS EAT LAST and TOGETHER IS BETTER. In 2009, Simon Sinek started a movement to help people become more inspired at work, and in turn inspire their colleagues and customers. Since then, millions have been touched by the power of his ideas, including more than 28 million who've watched his TED Talk based on START WITH WHY -- the third most popular TED video of all time. Sinek starts with a fundamental question: Why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who've had the greatest influence in the world all think, act, and communicate the same way -- and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

With |elements of The Bold Type, Mad Men, and The Devil Wears Prada| (Entertainment Weekly), a young woman navigates a tricky twenty-first-century career|and the trickier question of who she wants to be|in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she's a sellout, but Casey tells herself that she's just paying the bills|and she can't help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she's shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life's work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year's biggest book festival rolls around in Las Vegas, it will take every ounce of Casey's moxie to undo the damage|and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, A Lady's Guide to Selling Out is the story of a young woman untangling the contradictions of our era and trying to escape the rat race|by any means necessary. Praise for A Lady's Guide to Selling Out |Bitingly funny . . . [Sally] Franson's snappy debut nimbly skewers the high-flying world of advertising and romance in the age of social media. . . . Franson's irresistibly flawed heroine holds her own as she strives to find honesty, meaning, and even love in a demanding world, resulting in an addictive, escapist novel.| |Publishers Weekly |A high-spirited heroine loses herself in a vortex of modern striving in this debut novel. . . . Come for the hilarious narration, stay for the whirlwind plot, luxuriate in the satirical gleam.| |Kirkus Reviews |A wry, observant take on career success and ambition.| |New York Post |A book lover is torn between a cushy gig and . . . well, her soul, basically.| |Cosmopolitan

What happens when the bottlenecks that stand between supply and demand in our culture go away and everything becomes available to everyone? "The Long Tail" is a powerful new force in our economy: the rise of the niche. As the cost of reaching consumers drops dramatically, our markets are shifting from a one-size-fits-all model of mass appeal to one of unlimited variety for unique tastes. From supermarket shelves to advertising agencies, the ability to offer vast choice is changing everything, and causing us to rethink where our markets lie and how to get to them. Unlimited selection is revealing truths about what consumers want and how they want to get it, from DVDs at Netflix to songs on iTunes to advertising on Google. However, this is not just a virtue of online marketplaces; it is an example of an entirely new economic model for business, one that is just beginning to show its power. After a century of obsessing over the few products at the head of the demand curve, the new economics of distribution allow us to turn our focus to the many more products in the tail, which collectively can create a new market as big as the one we already know. The Long Tail is really about the economics of abundance. New efficiencies in distribution, manufacturing, and marketing are essentially resetting the definition of what's commercially viable across the board. If the 20th century was about hits, the 21st will be equally about niches.

Chronic pain in the lower back is the most common cause of disability for persons under 45 years of age. Low Back Pain FAQs, part of the Geisinger Healthcare System FAQs series, is intended as a patient education resource for those who suffer from the acute or chronic misery associated with this troublesome condition. The authors provide brief, focused answers to common questions raised by their patients with the goal of empowering patients to cope more effectively and ease the pain. Sometimes back pain signals that a more serious problem may be present. The book helps patients understand when surgery is necessary, and when relief can be achieved through exercise and lifestyle changes only. The most effective strategy is of course, prevention. The text offers crisp, detailed graphics that enhance the presentation of key concepts, diagnosis (CT, MRI), and various treatment modalities. As with all titles in the FAQ Series, this book works to educate patients and provide concise, current information for common ailments.
