That Dark and Bloody River: Eckert, Allan W ...

An award-winning author chronicles the settling of the Ohio River Valley, home to the defiant Shawnee Indians, who vow to defend their land against the seemingly unstoppable. They came on foot and by horseback, in wagons and on rafts, singly and by the score, restless, adventurous, enterprising, relentless, seeking a foothold on the future.

That Dark and Bloody River by Allan W. Eckert, Paperback ...

It is a very, very detailed account of the struggles - official, military, and personal - that took place on and near the Ohio River during its most bloody period of about 30 years. First, the struggles of the mostly British settlers against the French, who wanted the land for France, simultaneously with the struggles against the Indians, who ...

An award-winning author chronicles the settling of the Ohio River Valley, home to the defiant Shawnee Indians, who vow to defend their land against the seemingly unstoppable.

Read Book That Dark And Bloody River Chronicles Of The Ohio River Valley

They came on foot and by horseback, in wagons and on rafts, singly and by the score, restless, adventurous, enterprising, relentless, seeking a foothold on the future. European immigrants and American colonists, settlers and speculators, soldiers and missionaries, fugitives from justice and from despair—pioneers all, in the great and inexorable westward expansion defined at its heart by the majestic flow of the Ohio River. This is their story, a chronicle of monumental dimension, of resounding drama and impact set during a pivotal era in our history: the birth and growth of a nation. Drawing on a wealth of research, both scholarly and anecdotal—including letters, diaries, and journals of the era—Allan W. Eckert has delivered a landmark of historical authenticity, unprecedented in scope and detail.

Traces the settling of the Ohio River Valley in an account of the battle between Native Americans and settlers that marked a turning point in the history of the frontier

The author of *A Sorrow in Our Heart: The Life of Tecumseh* traces the settling of the Ohio River Valley, in a fictional account of the battle between Native Americans and settlers that marked a turning point in the history of the frontier.

The frontiersmen were a remarkable breed of men. They were often rough and illiterate, sometimes brutal and vicious, often seeking an escape in the wilderness of mid-America from crimes committed back east. In the beautiful but deadly country which would one day come to be known as West Virginia, Kentucky, Michigan, Ohio, Indiana, and Illinois, more often than not they left their bones to bleach beside forest paths or on the banks of the Ohio River, victims of Indians who claimed the vast virgin territory and strove to turn back the growing tide of whites. These frontiersmen are the subjects of Allan W. Eckert's dramatic history. Against the background of such names as George Rogers Clark, Daniel Boone, Arthur St. Clair, Anthony Wayne, Simon Girty and William Henry Harrison, Eckert has recreated the life of one of America's most outstanding heroes, Simon Kenton. Kenton's role in opening the Northwest Territory to settlement more than rivaled that of his friend Daniel Boone. By his eighteenth birthday, Kenton had already won frontier renown as woodsman, fighter and scout. His incredible physical strength and endurance, his great dignity and innate kindness made him the ideal prototype of the frontier hero. Yet there is another story to *The Frontiersmen*. It is equally the story of one of history's greatest leaders, whose misfortune was to be born to a doomed cause and a dying race. Tecumseh, the brilliant Shawnee chief, welded together by the sheer force of his intellect and charisma an incredible Indian confederacy that came desperately close to breaking the thrust of the white man's westward expansion. Like Kenton, Tecumseh was the paragon of his people's virtues, and the story of his life, in Allan Eckert's hands, reveals most profoundly the grandeur and the tragedy of the American Indian. No less importantly, *The Frontiersmen* is the story of wilderness America itself, its penetration and settlement, and it is Eckert's particular grace to be able to evoke life and meaning from the raw facts of this story. In *The Frontiersmen* not only do we care about our long-forgotten fathers, we live again with them.

A biography of the Shawnee leader describes his vision to unite North American tribes into one powerful Indian nation capable of forcing back the encroaching white settlers and his attempts to do so. Reprint.

The book examines uncertainty of command at the army, corps, and division levels and emphasizes the confusion and fear of ground combat at the level of company and battalion - "where they do the dying." Its gripping description of the battle is based on government records, a rich selection of first-person accounts from veterans of both sides, and author Edward G. Miller's visits to the battlefield. The result is a compelling and comprehensive account of small-unit action set against the background of the larger command levels. The book's foreword is by retired Maj. Gen. R. W. Hogan, who was a battalion commander in the forest.

Includes an excerpt from *A queen of gilded horns*.

During the American Revolution and the border conflicts that followed, Simon Girty's name struck terror into the hearts of U.S. settlers in the Ohio Valley and the territory of Kentucky. Girty (1741-1818) had lived with the Natives most of his life. Scorned by his fellow white frontiersmen as an "Indian lover," Girty became an Indian agent for the British. He accompanied Native raids against Americans, spied deep into enemy territory, and was influential in convincing the tribes to fight for the British. The Americans declared Girty an outlaw. In U.S. history books he is a villain even worse than Benedict Arnold. Yet in Canada, Girty is regarded as a Loyalist hero, and a historic plaque marks the site of his homestead on the Ontario side of the Detroit River. In Native history, Girty stands out as one of the few white men who championed their cause against American expansion. But was he truly the "White Savage" of legend, or a hero whose story was twisted by his foes?

From searches for serial killers and missing persons to the persecution of migrants and Aboriginal people, David Price takes us back to a time when the line between lawmakers and criminals was lightly drawn. Based on a wide array of contemporaneous accounts of life in the Gascoyne, these sometimes shocking, sometimes disturbing true crime stories depict an era when laws served to maintain order rather than to secure justice. *Dark Tales from the Long River* offers a window into an evolving history of colonisation that is still struggling into the light.
