(Waltons Irish Music Books). Everything you need to know about the Irish fiddle, from playing your first notes and tunes to advanced solos and ornamentation. This book includes special chapters for beginners, "key points" highlighting essential aspects of fiddle technique, a comprehensive guide to traditional ornamentation and over 80 carefully chosen tunes. One of Ireland's most exciting fiddle players, Paul McNevin has had an equally influential career as a teacher. During his long association with Comhaltas Ceoltoiri Eireann, he won the All Ireland Slogadh and Plearacha competitions and received his Comhaltas teaching diplomas in 1991. Paul has toured throughout Europe with the Donal Lunny Band, Damien Quinn and Speranza, among others and has been a regular guest with Stockton's Wing and the Riverdance dancers.

(Music Sales America). This book explains and shows in detail the various techniques used by fiddle players in creating a traditional style of playing. All the information is presented in the context of the music itself, with numerous transcribed and recorded examples. It is aimed not only at the beginner, but also the fiddle-player (and indeed violinist) with some knowledge and experience who wishes to learn more. For those unable to read music, a chapter on notation is included. Particular emphasis is given to bowing and ornamentation, with individual chapters devoted to jigs, slides, polkas, hornpipes, airs and reels. The book also attempts to convey something of the excitement felt in playing music which has a large degree of improvisation, albeit within certain bounds. The demonstration CD, which features a large selection of the transcribed tunes and ornaments performed by Cranitch, is an invaluable aid to learning as it allows the listener to hear how the music and ornamentation should sound.

Learn to Play Irish Fiddle is a book and two CD set that introduces the absolute beginner to the great traditional fiddle music of Ireland, going right from the basics of how to hold and make the first sounds on the instrument - through specially composed, manageable tunes in the Irish style - right up to playing traditional reels, jigs and other dance tunes from the traditional repertoire (the specially composed tunes bridge the gap between the basics and the traditional music). Embellishments and techniques that make good Irish fiddle playing so infectious, such as rolls, cuts, triplets and slides are gradually introduced. The student will also become familiar with some of the more advanced ideas concerning playing Irish traditional music such as variations and dynamics - subjects which are covered in greater detail in "Irish Fiddle Playing: A Guide for the Serious Player" book/CD sets by the same author. Useful appendices and a cross-referenced glossary are also included. The accompanying CDs contain all the tunes in the book (played at a slow tempo) plus many exercises. There is NO NEED FOR ANY PRIOR MUSICAL KNOWLEDGE in order to use this book. Each aspect of playing and theory is covered in an accessible and manageable way.

## Where To Download The Irish Fiddle Book And Cd

In his preface, the author reminds the reader that this is not a book for the absolute beginner. Even the experienced player may not get it on first reading a given tune, but You can expect to enjoy the process of learning... [and experience] the joy of recreating a traditional tune, of making it your own. This is the teacher/ student pact in effect throughout this marvelous book, written for the literary as much as the musical connoisseur. Although no classical violin experience is needed, you will need to know how to hold the fiddle and bow, and be able to play at least simple tunes in the first position. Having the ability to read music will enable you to follow the bowing patterns and left-hand techniques which the author feels are crucial in grasping the playing style.

(Music Sales America). Over 100 tunes, from easy to advanced, edited and annotated by Robin Williamson. This book is perfect for fiddle as well as guitar, mandolin, tenor banjo, flute, accordion or concertina. With guitar chords. 15 tunes are included with the online audio, played by Williamson, is included for demonstration. Songs include: All in a Garden Green \* Newcastle \* The Ploughboy \* Greensleeves \* Welsh Morris Dance \* Lady Owen's Delight \* The Bonny Grey \* Waterloo Hornpipe \* Sweet Molly \* Welcome Whiskey Back Again \* My Darling Asleep \* Back of the Haggard \* Carolan's Farewell \* and more. The accompanying audio is accessed through Hal Leonard's popular MyLibrary system using the provided code. The audio can be streamed or downloaded and includes PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

Celtic Fiddling Made Easy is two books in one. Each fiddle tune has two versions: a beginner version with fiddle tablature and an intermediate version which includes ornamentation, double stops and guitar chords for accompaniment. This unique fiddle tablature will allow beginners the pleasure of Celtic tunes without being advanced players.

A sparkling, comprehensive collection of 75 lively flatpicking guitar fiddle tunes! Beginning with 18 pages of introductory, performance and tutorial notes. the all-Irish titles are presented in sections: reels, strathspeys, breakdowns, hornpipes, jigs, slip- jigs, set dances, airs and waltzes. All tunes are written as single-line melodies for flat-picked guitar chords over the staff. Additional notes and references, plus a discography are included at the end. Tunes from the book are derived from different cultures, there is little or no overlap of titles regarding the book and Complete Fiddle Tunes for Acoustic Guitar (95471). In notation and tablature. the split-track recording includes Dan Gelo's teaching on the various techniques.

An exciting collection of 29 traditional tunes from Ireland, arranged for easy fiddle. All tunes are written clearly in standard notation with bow directions. an accompanying CD contains all the tunes, played at a manageable speed, with guitar accompaniment. The collection contains airs, well known songs, polkas, slip jigs, slides, double jigs, hornpipes and reels, all of which are specially arranged by the author with the beginning/intermediate fiddle player in mind. on the CD, the tunes are played 2 or 3 times, so you can really get into the feel of the tune, when playing along. the speed of the tunes is quite slow, but not so slow as to take away from the essential feel of the music. Irish music is rightly popular all over the world. the haunting beauty of the slow airs and infectious foot-tapping rhythms of jigs and reels are here to be discovered in this selection of great traditional music.

Twelve year-old dinosaur expert Eric, his younger sister Rose and their faithful dog Sally find themselves mysteriously transported back in time 65 million years to the era of the dinosaurs. Amazingly, they are befriended by an intelligent, evolved creature they name Weet, with who they become embroiled in a distinctly prehistoric adventure. Will Eric and his sister ever be able to return t to their own world of present-day Alberta? Will Weet's knowledge be of any use if they run into the most fearsome predator of all time, the Tyrannosaurus Rex?
