Science of Natural Medicine: Regenerate Book Review with Sayer Ji, Founder of GreenMedInfo**The New Science Of Technical**  
Unlike other technical analysis books, which focus on head-and-shoulders and other patterns and simple things like moving averages, DeMark's "New Science" book provides the reader two valuable things: 1) ready-to-implement technical indicators that can be programmed (assuming you have access to the necessary data), and 2) ideas for further research.

### The New Science of Technical Analysis (Wiley Finance ...

These new networks will empower entirely new fields of tech, from driverless cars, drone air traffic control to peer-to-peer virtual reality. But it isn't without it's drawbacks. SpaceX is planning to launch 12,000 satellites over the next few years to create its StarLink constellation, with thousands more being deployed by other companies.
