This is an original and incisive analysis of pressing legal issues ranging from low pay, sexual harassment, and flexible working to parental rights and reverse discrimination. The book locates women's role in the family as a contributory factor to their continued disadvantage within the paid workforce. Yet, in signalling the way forward, the author rejects the notion that the answer is to ...

Many Oxford Law graduates go on to successful careers practising law outside England and Wales. The Oxford Law courses naturally focus on English law, but the fundamental principles of English common law play a key role in other jurisdictions. Graduates of the four-year course also gain important international knowledge during their year abroad.
